

extreme MELROSE LIFESTYLE WHEELCHAIR

FIXED FRAME DAY CHAIR

This extreme innovative new frame design is built to fit, provides character, and is one of the most attractive chairs available today.

One step up from the Panther, the Extreme is the ultimate in compact frames. It is an ultra lightweight fixed frame wheelchair for the truly active person who knows exactly what they want.

Extreme with sissor brakes, Xcore composite wheels and angle adjustable footplate.

MELROSE ERGO SEATING SYSTEM

A horizontal seat provides good pressure distribution with a neutral pelvic position while an angled seat gives better trunk stability and better pushing.

The ergonomic seat combines both horizontal and angled seating to give all three benefits. The ergonomic seat is angled, except for the back section, which is horizontal. The backrest is vertical and includes a rear-angled section at the top to give lumbar support for the spine.
